ABOUT US

JDExpress is a fast-growing shipping and logistics company operating across all governorates of Egypt. We specialize in reliable, secure, and timely delivery solutions designed specifically for online stores and social media sellers.

Founded with a clear mission to simplify shipping for e-commerce businesses, JDExpress provides nationwide coverage, professional handling, and dependable service that businesses can trust.

We understand the challenges online sellers face, fast delivery expectations, cash collection, safe handling, and customer satisfaction, and we are committed to being a strong logistics partner that supports business growth.

VISION AND MISSION

VISION

To become one of Egypt's most trusted and efficient shipping partners for e-commerce and social media businesses.

MISSION

To provide fast, secure, and cost-effective shipping solutions that empower online businesses across Egypt to grow with confidence.

Provide innovative and sustainable logistics solutions.

Enhance customer experience through superior service.

Ensure onmtime delivery with guaranteed security.

OUR VALUES

Reliability – We deliver on time, every time.

Speed – Express service that meets customer expectations.

Integrity – Transparent operations and honest communication.

Customer Focus – Your business success is our priority.
